Term 4, Week 5

Principal's Report

Welcome to Week 5. Yesterday students and staff attended the town Remembrance Day service. We stood in silence at the cenotaph along with our friends from St Joseph's to honour those service men and women who made the ultimate sacrifice and to acknowledge those who continue to serve our country today. We thank Mr Crittendon for leading the service. We also sincerely thank Mrs Victoria Bryce who made our beautiful wreath!

Last Thursday, Senior Constable Paul Ebsworth addressed students in Year 3/4 and Year 5/6 about Cyber Safety, social media awareness and bullying in general. A presentation for parents was also held. We thank Paul for his informative presentations and encourage students to make the right choices when interacting online.

On Friday, K-6 students attended Jeff 'Joffa' Taylor's TOONSCHOOL workshop. No wonder this is rated Australia's number 1 incursion for Primary schools! The highly interactive TOONSCHOOL sessions are designed to give students the skills to express themselves in new and exciting ways using the art of cartooning. Throughout the workshop skills in self-esteem, self-confidence, resilience, promoting self-expression, respect and empathy were developed and explored in a positive and humorous manner. I've since noticed many of our students trying out and developing their new found cartoonist skills.

Have a wonderful week! *Nyree Taylor* Principal

Year 7 Taster Day

This Thursday, 14th November Finley High School (FHS) will be hosting their Year 7 Taster Day. It is an opportunity for students from feeder primary schools to better understand the structure of high school including timetables, classrooms and to meet some relevant staff members. It is about familiarising them with their secondary environment and their peers. Students are asked to wear their summer sports uniform and Year 6 t-shirts and to pack a pencil case, notebook, water bottle, recess and lunch. The canteen will be available to purchase items. Parents are reminded to contact Purtils regarding return bus transport if needed and to return enrolment forms to FHS, ensuring all sections and documents are completed. Thank you.

Spring Round Robin

Years 3-6 students are off to Mulwala this Friday, 15th November to participate in the 2019 Spring Round Robin. Schools will be placed in teams of 10-12 mixed ability and compete against other schools in a round robin. Some of the sports include Mat Ball, Ultimate Frisbee, Cricket, Dodgeball and Orienteering. Mrs Browning will be accompanying the students to this sports event. Return transport will be by the Willawa Bus departing JPS at 8:50am. Families are asked to be punctual. Summer Uniforms

The NSW Department of Education (DoE) supports the wearing of a school uniform which promotes a sense of belonging for students and creates a positive identity for the school community. School uniforms also contribute to the personal safety of students by allowing easier recognition of students inside the school and in the community and to protect students from injury (for example, items for sun protection). JPS expects students to wear the uniform during school hours and also sun-safe hats for outside activities. Students have been asked to keep their hats in their tote trays to ensure they are on hand ready for break times.

Our P&C Association runs a uniform shop via the Office. We ask that parents and caregivers utilise this service so that students are wearing clothing of the same style and colour. To assist families, we also have a clothing pool of preloved uniforms available free of charge. We seek your cooperation in ensuring our students wear their correct uniform to school each day. Nothing makes me prouder than seeing students in their uniform each morning ready to learn.

Hints and Tips No. 7: Getting to school on time

It is essential to establish a regular routine each morning and arriving at school on time is an important part of your child's morning routine.

It is important to be at school on time because:

- It sets up good habits for the future.
- It provides social benefits – good play time and discussion among friends.
- The school day usually begins with the teacher giving out information to students. Eg. Any changes to school routines, coming events etc.
- It is an opportunity for important teacher pupil interaction before school.
- There is plenty of time for ordering lunches if needed.
