Welcome to Week 8. Students in Years 3-6 presented their speeches for the annual Lions Public Speaking Competition last Friday morning. Congratulations to all students who wrote and delivered a speech before our judge, Mrs Chris Ellis. Runner Up – Stella Williams
- ❖ 5/6 – Chelsea Winn & Katelyn Wilkinson
Runner Up – Dan Eldridge

Students have been rotating through high jump, long jump, discus and shot put during weekly sport sessions in preparation for the Small Schools Athletics Carnival on Friday 28th June 2019.

Congratulations to Chelsea who competed in the Riverina Cross Country at Gundagai last Thursday. This is the third consecutive year Chelsea has represented the Finley Zone at this sports event. Well done Chelsea!

Student reports will be issued next week and parent-teacher interviews will take place in Week 10. An interview schedule is being finalised and will be published on CareMonkey. I encourage all parents to attend these interviews with your child's teacher to discuss their achievements over the semester.

This Week's Events (Week 8) cont.

Premier's Debating Challenge

The 2019 season of the Premier's Debating Challenge for Years 5 & 6 has begun. At every level of the challenge the debates involve 1-hour unassisted preparation, which means that the four team members only find out the topic 1 hour before the debate, and are then given an hour without any help from a teacher or anyone else to prepare their case. After four such round-robin debates and a series of knock-out finals, the remaining ten regional champions meet at a three-day camp for a series of debates to determine the state champion.

Our debating team will be traveling to Finley Public School (FPS) this Thursday, 20th June with Mrs Browning for two debates against FPS Eagles and FPS Hawks. They will be departing JPS at 8:30am sharp and returning at approximately 3:30pm. Please be punctual to enable the first debate to start on time. Don't forget to take a packed recess and lunch and a water bottle and to wear winter uniform. We wish Josie, Katelyn, Chelsea and Dan the very best and know they will be terrific ambassadors for our school.

Next Week's Events (Week 9)

Lions Junior Public Speaking

The annual Jerilderie Lions Junior Public Speaking Competition will take place at the Jerilderie Sports Club next Monday 24th June commencing at 6pm. This is the Club Final for the 3/4 and 5/6 sections of the competition. Students from Jerilderie Public School and St Joseph's Primary School will compete for a place at the Regional competition. We wish all students well!

Plains Wanderer Habitat Day

Next Tuesday 25th June, 3-6 students and staff will be participating a Habitat Day here in Jerilderie as part of their project on the Plains Wanderer. The day allows students to venture out 'in-situ' and experience firsthand the threatening processes affecting the species. They will team up with Miss Stephanie Maguire (Zoo Education Officer) and Mr David Parker (Senior Threatened Species Officer) to replicate the science involved in protecting the animal. It is hoped they will return to school feeling a part of the 'recovery team' and ready to take on their local community behaviour change challenge.

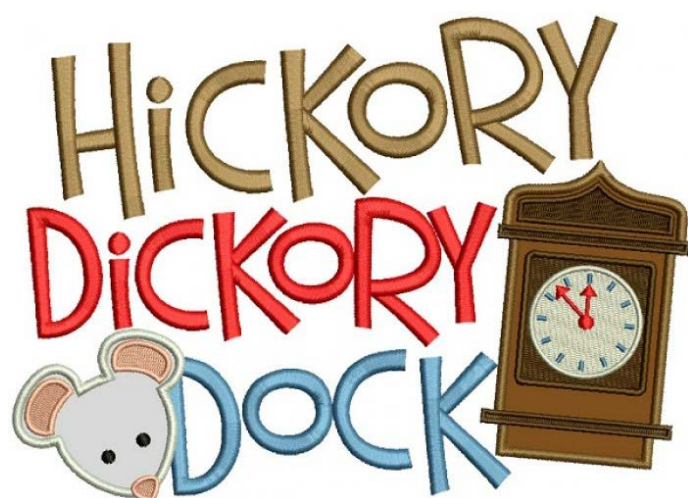

Small Schools Athletics Carnival

K-6 students and staff are off to Savernake Public School on Friday 28th June for the annual Small Schools Athletics Carnival. They will join with their peers from Lowesdale, Mulwala, Savernake, Urana, St Columba's and St Francis Xavier for a day of friendly competition. This year we have been given the following jobs - Age race start, High jump (stand 2), Long jump (pit 4), Shot put (area 1) and Helper ½ minute skip and are seeking the assistance of parents to run these events. We will also be travelling by staff and parent private vehicles. If you are able to help with return transport, please phone the office. A permission note for the carnival has been published on CareMonkey.

Celebrate Attendance

Hints and Tips No. 2: Teaching good habits

It is important for parents to make attending school a priority.

Allowing children days off for birthdays, to look after younger children, to go shopping, to keep you company or because they were tired from a late night, not only sends the wrong message to your child, it is also against the law.

Children who get used to having days off school for these kinds of reasons develop an attitude that their attendance at school is not very important. This can become a big issue as a child gets older.

Teach your children that being on time is important. Children that are often late to school miss the part of the school day when the teacher explains new activities. The beginning of the day is also when many students are freshest and can concentrate better.

Students that are late on a regular basis may become the target for comment by other students and often as a result isolate themselves from their peers.

Missing school leaves gaps in your education

The simplest way

... to get kids involved in packing a healthy lunch box.

Getting kids involved in selecting – from healthy choices – what they would like to eat at school means they are more likely to eat what's packed in the lunch box.

Visit healthylunchbox.com.au and use our interactive [lunch box builder](#) with your children to plan a healthy lunch box.

Kids can choose lunch box foods from the pictures in each of the food groups to pack a healthy lunch box they will enjoy.

To help you plan for the week ahead, saving you time and money, you can email or print the lunch boxes your children pack online along with **personalised tips and recipes**.
