Term 1, Week 5

Principal's Report

Welcome to Week 5! Arrangements for the NSW Ambulance School and Group Cover Scheme are now in place for the 2020 school year. This scheme provides assurance that any student enrolled at a NSW public school, who has an accident or falls ill whilst at school or on an organised school excursion or activity, and requires the ambulance service, will have this cost met through the scheme. For the 2020 school year, coverage of the scheme will continue to include interstate travel for students attending fully supervised school activities within all States and Territories with the exception of South Australia and Queensland. Thank you for providing copies of your child's ambulance cover in the event this did not continue for the 2020 school year.

We are moving the dates of our Term 2 and 3 School Development Days (SDDs) to Thursday 30th April and Friday 1st May 2020 to enable our staff to attend Bridges Out of Poverty training. Bridges Out of Poverty is a two day professional learning opportunity for teachers to develop an understanding of vulnerability in our families and across communities and how best to support them in education. This will mean the Term 2 SDD would not be scheduled for the Monday of Term 2 Week 1, instead students would start back on Monday 27th April and there will be 2 consecutive SDDs on the Thursday and Friday of that week. We would also not have a SDD Term 3. Please mark these dates on your calendar.

The SRC has planned an Easter raffle and are asking each family and staff member to donate an Easter egg. Please send in your donations by Friday 13th March to enable a hamper to be collated. Raffle tickets will be distributed this week. We thank you for supporting Jerilderie Public School's SRC in their fundraising endeavours.

Have a wonderful week! *Nyree Taylor* Principal

Years 3-6 students from Jerilderie Public School & St Joseph's Primary School will be participating in the Woolworths Cricket Blast Schools Cup on Friday 6th March at Monash Park from 9:30am to 2:30pm. The day is all about participation and fun and is being run by Kelly Meddings, Cricket Manager Murrumbidgee. Mrs Browning will be accompanying Years 3-6 to this interschool sports day. Students will need to wear their sports uniform and hat and take recess, lunch and a water bottle.

Upcoming Events (Term 4, Week 1)

3-6 Canberra Excursion

This year students in Years 3-6 will be combining for their major excursion. They will be travelling to Canberra for 3 days and 2 nights from Wednesday 14th to Friday 16th October 2020.

This excursion will complement learning about Australian Government and the history of democracy. Students will visit the Australian War Memorial, National Museum, National Gallery, Museum of Australian Democracy, Parliament House, Electoral Education Centre, Questacon, Cockington Green and the Institute of Sport. They will also have the opportunity to participate in indoor rock climbing and tenpin bowling.

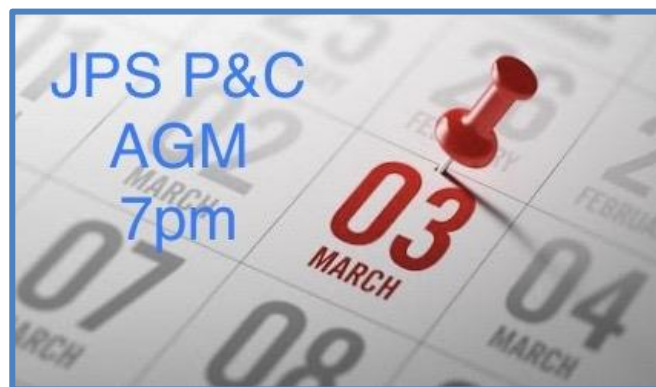

The cost of the excursion will be between \$500 - \$600 per student (excluding P&C contribution). In order to finalise the costing, we are seeking a commitment from parents and caregivers now along with a \$100 deposit. This deposit will be non-refundable and will be used to cover any additional costs incurred by the school in the event a student who has committed to attend, pulls out for any reason. The deposit is due Friday 20th March 2020 (Week 8).

This information has been distributed early to give parents who have more than one child attending this excursion the opportunity to pay for it in installments over the next two and a half terms. An itinerary, permission note and medical form will be distributed closer to the date. In the meantime, if you have any questions or concerns, please don't hesitate to see Ms Taylor.

Active Kids and Creative Kids

Active Kids and **Creative Kids** are programs designed to encourage more children to participate in sport, active recreation and creative and cultural activities. Each year, parents, guardians and carers can receive up to \$300 in vouchers to go towards both creative and physical activities for school aged children.

A **Creative Kids** voucher will help parents to cover some of the registration, participation and tuition costs for activities such as singing, drama, coding, languages, music, writing, drawing and photography.

The **Active Kids** voucher can be used on sports, fitness and physical activities for registration, participation and membership costs.

The vouchers can be used once with an approved provider. To find out more, parents and carers need to visit service.nsw.gov.au.
