Term 4, Week 3

Principal's report

Welcome to Week 3! Yesterday the new **School Visitor Check-in** came into effect. All visitors such as parents and carers, contractors, service providers and volunteers can use the School Visitor Check-in to sign-in at our school. The new QR codes replace all previous COVID-safe QR codes and are located at the front office to ensure everyone who attends school during school hours reports to the front reception area. Students and visitors under the age of 18 are not required to use School Visitor Check-in.

The P&C is holding their major fundraiser, Open Gardens this Sunday 24 October from 10am to 2pm. Thank you to all of the parents and staff who have volunteered to assist on the day, and for donating cakes/slices and items for the major raffle. The P&C has contributed over \$15,000 to our school in 2021 to fund the 3-6 music program and the K-2 SLSO position and, wherever possible, it is important that we all do our bit in supporting their ongoing fundraising efforts. We are most fortunate to have a number of former P&C members also willing to lend a hand; a testimony to the strong ties the school continues to enjoy with the community.

Entry is \$20 per person. A morning tea/light lunch will be available to take away for \$10 a plate and includes an assortment of sandwiches and cakes/slices plus a drink (tea, coffee, water or soft drink). Please note, all visitors will need to show proof of double vaccination prior to entry.

Our heartfelt thanks to Carmen Lawton and the committee who have organised this fundraiser and to each of the families who have made their gardens available on the day - Victoria and Rick Bryce, Carmen and Greg Lawton, Debbie and Brett Rowe, Julie and Andrew Sleight, & Beth McMeekan and Roy Chaplin. They have spent many hours preparing for this event and will no doubt be feeling exhausted by the time it is over, but very proud of themselves and their beautiful gardens.

Due to current Covid Restrictions all visitors to our Open Garden must show proof of double vaccination.

Our morning tea/light lunch will be takeaway only.

We thank you for your understanding

Summer uniforms

The NSW DoE supports the wearing of a school uniform which promotes a sense of belonging for students and creates a positive identity for the school community. School uniforms also contribute to the personal safety of students by allowing easier recognition inside the school and in the community and to protect students from injury. JPS expects all students to wear the uniform during school hours and also sun-safe hats for outside activities. Royal blue jackets are also winter uniform.

The P&C runs a uniform shop via the Office. We ask that parents utilise this service so that students are wearing clothing of the same style and colour. To assist families, we also have a clothing pool of preloved uniforms available free of charge. We seek your cooperation in ensuring our students wear their uniform each day. Nothing makes the staff prouder than when students wear their uniform.

At JPS we wear our uniform with pride!

*When buying your child new runners for school, please try to buy plain black or plain blue to blend in with our uniform.
Thank you for your cooperation.*
